- HTML5
- JavaScript
- C
- C++
- Dart (Learning)
- Python (Basic)

Frameworks & Libraries

- React JS
- React Native (Basic)
- Flutter (Learning)
- Spring Boot (Learning)
- Material UI
- Tailwind CSS
- jQuery

Work Experience

Trainee Software Engineer

2022 - Present

Inova IT Systems (Pvt) Ltd

Worked on a number of projects utilizing a variety of technologies. One of my main responsibilities was the development of a Dashboard using ClickUp APIs.

Technologies: Springboot, Power BI, ClickUp API

Education

University of Colombo School of Computing

2020 - Present

B. Sc. (Hons) in Software Engineering (Reading)

Current GPA **3.61/4.00**

St Peter's College, Colombo 04

2016 - 2018

Advanced Level

Physics-A

Combined Mathematics-B

Chemistry-B

Noor International School, Kalutara South

2004 - 2015

Ordinary Level

7 A's and 2 B's

Database

- MySQL
- PostgreSQL
- MongoDB

Other

- Node JS
- Git

Familiar In

- Object Oriented Programming
- Agile Methodologies
- Data Structure and Algorithms

Basic Knowledge

- Linux commands and shell scripting

Interests

- Mobile Application Development
- ML/AI
- Football
- Cricket
- Travelling

Language

English

Full professional proficiency

Sinhala

Professional working proficiency

Tamil

Professional working proficiency

Projects

Entero-Event Management System

3rd Year Group Project At UCSC

Node JS | Express JS | React JS | PostgreSQL | Tailwind CSS

An Event Management System where a customer can find Service Providers through the system for the events and book the services through the system.

My Contribution - Chat component, Notification, authentication and authorization and CRUD operations

Construct360⁰-Construction Management System

2nd Year Group Project At UCSC

JAVA | HTML5 | CSS3 | JavaScript

A platform where a customer can find a good constructor and manage the construction related documents and oversee their construction process.

My Contribution - Chat component, Notification, authentication and authorization, Payment Gateway integration and CRUD operations.

Achievements

HackX 2021 -Finalist

Participated in,

INSL-2021

Revolux-2021

Fresh Hack 1.0

ReidXtreme 1.0

Extra Curricular Activities

Member of Computer Society

2014 - 2015

St Peter's College, Colombo 04

Secretary of Information Technology Unit

2014 - 2015

Noor International School, Kalutara South

Prefect

2014 - 2015

Noor International School, Kalutara South

Certifications

Online Certifications

Design Patterns, University of Alberta , Coursera.org (Following)

What is Data Science?, IBM , Cousera.org

Bootcamp with ShapeAI, 2021
